A Borgess Bronson Collaboration

## **Community Donations – COVID-19 Crisis**

WMCC welcomes donations from the community to help protect our front line healthcare workers during the COVID-19 health crisis.

### **New and unused items that WMCC will accept include:**

- Disposable face masks
- New hand sewn masks for our patients and employees
- Crocheted ear savers/mask adapters
- N95 masks, sometimes called respirators
- Eye protection, including face shields and safety goggles
- Disposable gowns
- Disposable gloves (non-latex only)
- Wipes: bleach or antimicrobial (example, Lysol)
- Hand sanitizer
- Tyvek suits

Donated items can be dropped off on Tuesdays and Thursdays between 8:30 am and 10:00 am in our ambulance bay located on the south (Water St.) side of our building—at 200 North Park Street in Kalamazoo. A staff member will be there to accept your donations.

If you have items to donate but are unable to drop them off, please contact Megan Campbell at 269-384-8611 or email her at: [mcampbell@wmcc.org](mailto:mcampbell@wmcc.org).
