Radiation & Surgical Specialties

ADMINISTRATIVE

For your first visit with us, please bring the following:

- All current health insurance cards
- All current health prescription cards

Most insurance companies require the patient to share in the cost of medical care. When a physician prescribes any type of treatment or medication, the patient or patient's legal guardian should expect to pay a part of the cost. Forms of patient responsibility are usually divided into three groups:

Deductible - The fixed annual amount that your health plan expects you to pay before your coverage

kicks in. Typical deductible amounts are \$250, \$500, or \$1,000, per person or family.

Co-insurance - The percentage that your insurance does not cover. Traditional plans pay 70% to

90%. Co-insurance is the percentage remaining after your health plan has made

their payment.

Co-payment - An on-going responsibility for the patient to pay. Your plan may require you to pay \$10,

\$15, or \$20 for each time you see the physician or are treated by our office.

Pre-Authorization – We make every effort to obtain pre-authorization for treatments and medication

which are prescribed by our doctors.

Billing

We file a claim with your insurance carrier first. After your insurance carrier has processed the claim, we will mail you a statement showing any remaining balance due. Statements are mailed within the first 5 business days of each month. If you have questions about your statement, or other billing concerns, please call our on-site billing representatives for assistance at 269-373-7429. You may also call our billing department directly (Radiation Business Solutions) at 866-353-0360.

If you have concerns about making payments on your bill, or have other coverage related concerns, please contact a Patient Financial Counselor at 269-384-8679 or 800-999-9748 (within Michigan), or by e-mail at: pfc@wmcc.org. Our on-site financial counselors are ready to answer any questions you may have concerning payment or insurance.

Patient Financial Counseling

Insurance can be complex and intimidating. Our financial counselors can assist with understanding insurance, applying for financial assistance, open enrollment process and more. Cancer is expensive and our trained staff are here to help you and your loved one with providing guidance and assistance mitigating the financial burdens of cancer care.

200 North Park Street Kalamazoo, MI 49007-3731 Phone: 269.382.2500 / Fax: 269-373-7478 www.wmcc.ora

PATIENT CARE SERVICES

West Michigan Cancer Center Radiation & Surgical Specialties (WMCC) is committed to providing comprehensive, patient care services free of charge to help you and your caregivers. To access them, please ask the care team for more information; or call the main number for assistance: (269) 382-2500.

Cancer Information Resources:

Free educational cancer resources are available in the lobby areas which include community resources. Some exam rooms also have touch screens with educational information that you may find helpful. If you would like any assistance, please contact your care team.

Massage Therapy:

Massage therapy services are available to WMCC patients and caregivers, Monday through Friday from 9:00 am to 3:00 pm. licensed massage therapists provide back, hand and shoulder massage in 10 minute time slots while you are on site for a scheduled visit. You must register for this service by calling our social services department at 269-384-8629 or email socialwork@wmcc.org.

Medical Social Work:

Clinical social workers experienced in oncology can help with a wide array of issues from brief counseling for emotional support to local and national resources.

Nutritional Services:

Clinical registered dietitians experienced in oncology can help with nutrition guestions, changes in food consumption, and empowering patients to pursue optimal nutrition.

Lodging and Transportation:

Due to COVID-19, there could be modifications to this resource. Ask your care team about possible lodging and transportation options for your and your loved one.

Wellness Programming:

Due to COVID-19, wellness programming has been put on hold. Please check out website for any updates to these programs.

Survivorcise and LIVESTRONG Program:

Due to COVID-19, these exercise programs have been put on hold. Please check our website for any updates for these programs.

Volunteer Services:

Due to COVID-19, our compassionate and dedicated volunteers are remaining at home for their safety as well as that of our patients and staff. Please check our website for future updates.

Patient Experience:

WMCC is committed to quality and safe care. Throughout your journey with us, we would appreciate your feedback for improving care. Our organization engages in a variety of quality measures and programming. You or your loved one may be asked to complete a survey, participate in a focus group, or provide direct verbal feedback about your experiences. We welcome constructive feedback, and are committed to quality improvement. Please share concerns with your care team.
