

# MASKING OPTIONAL

## *EXCEPT FOR*

### **Patients**

- Diagnosed with COVID-19 in the past 10 days
- In close contact with someone who tested positive in past 10 days
- Showing symptoms of respiratory illness (runny nose, cough, fever, etc.)

**If the answer to any of the above is yes, please wear a mask and inform a staff member.**

### **Visitors**

**If the answer to any of the above is yes, please do not visit.**

If you need a mask, one will be provided.

Clean your hands often with soap and water or hand sanitizer.
