

MAJOR STREET CLOSURE Affecting Access to WMCC

Visitors Need to Seek Alternate Routes

What's happening?

Beginning, July 31, 2024, Park Street between Michigan Avenue and Kalamazoo Avenue in downtown Kalamazoo will be shut down to vehicle traffic for two to three months. The reason for the closure is a utility upgrade project prior to construction of a new event center. **YOU WILL NOT BE ABLE TO ACCESS WMCC FROM PARK STREET.**

How do I get to WMCC during the closure?

Below is a map to help you determine your route. The red path shows the Park Street closure from Michigan Avenue to Kalamazoo Avenue. The multiple green paths show open roads that lead to our Water Street entrance and parking lot.
